Directions to the STEM Building at Virginia Western Community College

From I-581 (coming from the north): Take the Colonial Avenue exit, and bear to the left. Once on Colonial Avenue, drive about one mile, and at the first roundabout go left into the parking lot. Once in the lot, turn right. At the stop sign, turn right again. Turn left into the parking areas, and the STEM building is closest to the parking lot and is directly on Colonial Avenue. The building is labeled as "**9**" on the map below, with parking as indicated by the red rectangle.

From US-220 (coming from the south): Head north on US-220, take the Wonju Avenue exit. Turn left onto Colonial Avenue, drive approximately one mile, and at the first roundabout go left into the parking lot. Once in the lot, turn right and at the stop sign, turn right again. Turn left into the parking areas, and the STEM building is closest to the parking lot and is directly on Colonial Avenue.

- "Virginia Western Community College STEM Building" comes up in Google Maps, and the location is the parking area that is the middle red rectangle on the map below.
